Dear Parent,

Your son or daughter should bring home on Friday a small leaflet entitled "Contact Point".

Many of you will know that this is a government initiative intended to improve the flow of information about young people. We have been asked by the Department for Children, Schools and Families to distribute these leaflets.

You should rest assured that we have not yet been asked to provide names or contact details, and that we shall inform you beforehand if we are obliged to give such information in the future.

I wish you and your families a happy half-term break.

Yours sincerely,

J W Watson
Headmaster
