The "Outgrown But Not Outworn" sales are always very successful and provide an opportunity to sell outgrown uniforms and equipment and also to replace those items at a very reasonable price. Anything used at school or related to school activities may be offered for sale. These include clothing, games equipment, books, **sports and ski wear** etc. We ask that parents respect the following:

No obsolete kit or uniform items will be accepted.

Items for sale should be in good condition and a reasonable price.

We reserve the right to reject items considered unsuitable and we cannot accept any responsibility for lost items.

Items for sale should be sent to the School Office the week beginning Monday 20th February 2012 and all items should have an envelope or a label securely attached giving clear information of the name, form, item, price, amount of donation to PA funds and action to be taken if the item is unsold.

The PA will assume a deduction of 15% if no donation is specified.
