

# Early Years Funding...

## A Guide for Parents

Bablake Pre-Prep is delighted to participate in the Early Years Funding for children enrolled in our Nursery classes. **All 3 & 4 year-olds** are eligible to receive up to 15 hours per week of government-funded childcare, up to a maximum of 570 hours per year. This funding becomes available from the start of the term following the child's 3rd Birthday (September, January or April). Parents can continue to claim the funding until the end of the term in which their child turns 5, (which will be during our Reception year).

### How it works at Bablake Pre-Prep

**Funded sessions** will run every morning between 8.30am and 11.30am. All children are expected to attend every day.

#### Additional sessions

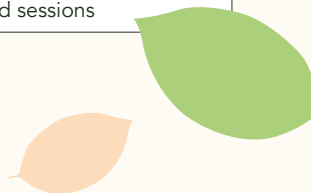

- Midday session takes place between 11.30am - 1.00pm and includes lunch.
- Afternoon session takes place between 1.00pm and 3.30pm.

Nursery attendance is a **minimum** of the following:

Autumn Term	Spring Term	Summer Term
5 morning sessions* and 3 additional charged sessions	5 mornings* and 5 additional charged sessions	5 mornings* and 6 additional charged sessions

\*Early Years Funded Sessions

- Wraparound care is available from 7.45am to 8.30am and from 3.30pm - 6.00pm. These sessions will be charged separately.
- Provision will be available during term time only. There will be a holiday club provision available but this will be run by an external provider and will be charged separately.
- You may opt for a pattern of attendance that includes a variety of sessions, however these should be fixed for the term and pre-booked in advance. In order to benefit fully from the education that we offer, the majority of children in the Nursery will attend most sessions and many will attend all sessions from 8.30 - 3.30pm.
