NURSERY AND PRE-PREP UNIFORM

At Bablake, pupils wear school uniform to foster a sense of community and to enable them to present a neat appearance both inside and outside of the School. Wearing school uniform allows pupils to feel a sense of pride and belonging, it encourages high expectations, standards of behaviour and conduct.

Clothes should be clean, in good repair and worn properly; hair must be tidy, of natural colour and appropriate for a school setting. All articles must be clearly marked with the pupil's name and form.

Reasonable adjustments to the uniform may be made on an individual basis (religion, race, disability, gender identity or medical issues). In such cases, please contact the Head or Deputy Head of Pre-Prep to discuss further.

Travelling to/from school

School uniform must be worn whenever pupils are on site or representing the School elsewhere, this includes the journey to and from School and on School visits as required.

Pupils are permitted to wear light colours and reflective materials over their uniform, so that they are as visible as possible when walking or cycling to School during the winter months.

The Head reserves the right in their absolute discretion to refuse entry to the School to any pupil failing to observe any of these dress regulations, and to rule on the acceptability of variations not covered by the regulations.

Appointments

All new starters should make an appointment with the uniform shop for new uniform. You can book an appointment using the form on their website www.number57schoolwear. Current pupils do not need to make an appointment to purchase uniform items, the shop is open from Tuesday to Friday 9am - 5pm and Saturday 10am - 2pm.
